

SIR JEREMY DARROCH

Sir Jeremy is Chair of Reckitt Benckiser Group plc, Chair of the National Oceanography Centre, an Independent Director at Ahren Acquisition Corp., an ambassador for the World Wide Fund for Nature (WWF) and a Senior Adviser of Bain Capital and the Multichoice Group. Jeremy served as Adviser to Sky following 14 years of leading the company as CEO then Chair. During his tenure, Sky transformed from a linear satellite broadcaster into Europe's largest multi-platform TV provider with over 23m customers across Europe.
